

A la carte Wedding + Event Flowers

All flowers grown with lots of love + organic practices in our oceanside//mountain edge flower fields.

Flowers vary seasonally + include focal flowers as well as lush textural elements such as seed pods, foliage, grasses + more. Our designs are rooted in the patterns of the wild world: diverse, abundant, beautifully asymmetric. A la carte flowers are farmers choice, based on whatever is most beautiful in the field that week, though we can accommodate palette requests + are delighted to accept inspiration photos to inform the design.

We will be in touch within a week of contact for a price estimate based upon your needs. A la carte weddings are first come, first serve + your date is not considered reserved until full payment is received.

Free pickup at the farm in Carpinteria (address provided via email). We deliver within ~20 mile radius for an additional \$100, with a minimum order of \$600. Please reach out with any further questions!
